Dear Mr. Musgrave,

This is to inform you that your Freedom of Information Act request, dated July 31, 2012, for the following information:

1. any requests for proposals, proposals submitted by vendors, contracts, budgets or cost allocations for the purchase and/or use of aerial drones, UAs, UAVs, and UASs (hereinafter "drones");
2. any policies, guidelines, manuals and/or instructions on department use of drones, including on the legal process required (such as a warrant or court order), if any, before operating a drone;
3. any departmental records concerning this department's use of drones now or plans to use drones in the future including:
4. the types of investigations or instances in which this department is using or plans to use drones, or how it plans to support, manage or oversee the usage of drones by another department or office;
5. policies, guidelines, manuals and/or instructions on storage requirements or procedures or video or static images obtained through use of drones, including retention times;
6. the altitude at which drones can or do fly;
7. drones' ability to carry weapons

This office attempted to make contact with you on several occasions with no response from you. On Monday November 5, 2012, I emailed you asking for a contact number, since you have not responded to our request for information; I am administratively closing this account.

Please contact the undersigned at 703-692-9979 should you have any questions and refer to case #2012-05207-F.

Sincerely,

RAYMOND BAILEY
